We've renovated this vessel with an emphasis on comfort, reducing the number of berths from 108 to 90; expanding the bar and lounge area; redecorating the dining room; and more

Shipboard Features

Dining room with single open seating.

Bar & lounge.

Cabin Features

Passenger ships: River cruise ship for 90 passenger

Cabin size is approximately 120 square feet or 11.15 square meters.

Twin beds that convert to sofas. During the day, you can sit and relax on the sofa. When you arrive at your cabin in the evening, you'll find that the couches have been converted to comfortable beds with approximately two feet of space between them.

Cabins feature a large picture window and river views

All cabins have a wardrobe, a drawer, and luggage storage space under the beds

Private bath with shower

Individual heating & air-conditioning controls

Flat-screen color TV , including a "view from the bow" camera looking out the front of your ship

Direct-dial telephone with emergency call buttons

In-room safe

All non-smoking cabins
